### PROFESSIONAL SUMMARY

I am a MCA student with a strong foundation in computer applications, programming, data handling, and web technologies. I am a quick learner with excellent communication and teamwork skills, actively seeking an entry-level opportunity — whether in operations, technology, business, administration, or any other function — where I can contribute meaningfully, grow professionally, and add value to the organization from day one.

### TECHNICAL SKILLS

- **Programming:** Python, JS
- **Data Analysis:** Pandas, NumPy, Excel
- **Data Visualization:** Tableau, Matplotlib
- **Database:** SQL, MySQL
- **Web Technologies:** HTML, CSS, Django
- **Tools:** Git, GitHub, MS Office

### PROJECTS

**Data Visualization & Machine Learning Approaches** | Tech Stack: Python, Pandas, NumPy, Matplotlib, Excel

- Analyzed a real-world supermarket sales dataset using Python and Excel.
- Performed data cleaning, transformation, and exploratory data analysis (EDA).
- Built visualizations to identify sales trends and business patterns.
- Applied basic machine learning concepts to interpret data and generate insights.

**Business Intelligence Dashboard with Tableau** | Tech Stack: Tableau, Excel

- Built an interactive business dashboard for an online retail dataset.
- Created charts for revenue trends, customer distribution, and key performance metrics.
- Transformed raw Excel data into clear, decision-friendly visual insights.
- Presented findings using effective data storytelling and dashboard design principles.

### EDUCATION

|                                         |                      |             |
|-----------------------------------------|----------------------|-------------|
| Master of Computer Applications (MCA)   | K.M.C.L.U            | 2026        |
| Bachelor of Arts (B.A.)                 | M.G.K.V.P University | 2020 – 2023 |
| Class 12 <sup>th</sup> – Science Stream | U.P. Board           | 2020        |
| Class 10 <sup>th</sup>                  | U.P. Board           | 2017        |

### CERTIFICATION

Full Stack Developer Certificate — Issued by Make Career Academy, Hazratganj, Lucknow | Certified by Jain University | Issued: September 2022

### STRENGTHS

- Analytical Thinking
- Problem Solving
- Quick Learner
- Communication & Teamwork
